RE: SUMMARY OF THE FEBRUARY 14TH TAC MEETING

Pinole

At the February 14th TAC meeting, the following items were discussed:

Richmond

- Discussed the Administrative Draft Update of the West County Action Plan. With changes from the TAC incorporated, the document will be forwarded to the WCCTAC Board for review, discussion, and circulation.

San Pablo

- Linda Young presented the TFCA, CMAQ, Measure C projects for FY 08-09.
- Project Updates:

Contra Costa
County

- a. The completed “WCCTAC Phased Transportation Study for Proposed Urban Casinos in West Contra Costa” will be released pending final review by study sponsors.
- b. Port of Oakland’s expansion plans may be contingent on Proposition 1B TCIF funding. Expansion may include more truck and train traffic through West County. A Trade Corridors Group met on January 31, 2008. Following an update from the Trade Corridors Group meeting, the TAC discussed what kind of administrative instrument (JPA, Task Force, expanded WCCTAC-TAC) might be appropriate to address both environmental documents related to Port of Oakland’s expansion, and prioritization of grade crossings and other mitigations in the affected cities (Oakland to Martinez).
