

MEETING SUMMARY

El Cerrito

TO: WCCTAC-TAC and INTERESTED PARTIES

FROM: JOHN RUDOLPH, WCCTAC JR

Hercules

DATE: SEPTEMBER 11TH, 2008

RE: SUMMARY OF THE SEPTEMBER 11TH TAC MEETING

Pinole

Hilltop/I-80 Overcrossing Project:

- Laura Hameister (286-7250) from Caltrans District 4 Project Management described some of the activities related to utility relocation at the Hilltop/I-80 Overcrossing, and said bridge demolition and removal will likely occur in November 2008.

Richmond

I-80 Integrated Corridor Mobility Project (ICM):

- John Hemiup (836-2560) from ACCMA is the new Project Manager for the I-80 ICM. John described the current, complete funding for the project, and next steps. One-on-one meetings between ACCMA and local agencies will occur soon.

San Pablo

Lifeline Transportation Program (LTP):

- Information is posted on both the CCTA and MTC websites. Applications are due October 17th, 2008, to Peter Engel (925.256-4741) at CCTA. Contra Costa's portion of the regional LTP is approximately \$9.1 million over the three-year cycle.

Contra Costa
County

Priority Development Area (PDA) and Prop 1C Funding:

- Doug Johnson from MTC and Sailaja Kurella (464-7957) from ABAG reviewed the FOCUS and PDA programs, with additional information about Propositions 1C and 84 and the TLC program at MTC.

AC Transit

Better Place:

- J.D. Margulici (642-5929) from CCIT (www.calccit.org) described a \$200 million start-up venture in Palo Alto (www.betterplace.com) that seeks to enable the electric car revolution. The project is looking for local stakeholders.

BART

Other Business:

- Scot Campbell (415.244-3096, www.scpromedia.com), a professional videographer with a background in urban planning, and Eric Hankinson (714.809-0463, www.railpros.com), an expert in quiet zone feasibility studies, distributed their contact information.

WestCAT
